Submissions Overview

The Journal of East Asian Affairs welcomes manuscript submissions, which provide innovative analyses of contemporary issues and policies in East Asian international relations. The Journal, which is published biannually, aims to present a diversity of views on policy issues to promote debate and offer novel solutions to regional problems. It covers a broad range of topics related, but not limited, to inter-/intra-regional conflict and cooperation; emerging security issues, including climate change, threats to public health, human rights, terrorism, and cyber-crimes; geopolitical transformation in the region; economic security, such as supply chains and energy competition; and inter-Korean relations. Authors are encouraged to engage both theoretically and empirically with their subject material and employ rigorous methodologies to establish sustainable conflict resolution for global society.

The submission deadline is April 30, 2023
